

House Resolution No. 3389

Whereas, the members of the Missouri House of Representatives hold in high esteem those Show-Me State residents who have proven to be exemplary citizens in local communities and neighborhoods; and

Whereas, Mary V. George of Saint Louis has attained considerable distinction as a system engineer for Boeing/McDonnell Douglas Company; and

Whereas, in 1970 Mary George began working as a clerk-stenographer on the DC-10 airplane; and

Whereas, after her graduation from Tarkio College in 1990, Mary George transferred to Systems and Flight Engineering and now is a Technical Specialist 3 who reports to Dennis E. Hecht, Senior Manager of Integrated Diagnostics of Aerospace Support; and

Whereas, Mary George is a proactive member of the greater Saint Louis community who has volunteered through Boeing with Junior Achievement for six years, “The Dare to Dream” in city and county public schools, Ronald McDonald House, the “Dress for Success” program which collects ladies clothes for the underprivileged to wear to job interviews as they seek employment, and Saint Patrick Center which distributes men’s suits; and

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-third General Assembly, join unanimously to applaud the career achievements garnered down through the years by Mary George with Boeing/McDonnell Douglas Company and to convey to her this legislative body’s most heartfelt best wishes as she commemorates thirty-five years of service; and
